It stars Naseeruddin Shah, Anupam Kher, Kunal Kapoor, Satish Kaushik, Seema Biswas and Vivek Oberoi in the lead roles. The movie is based on 2012's O Bondmann!. The film was released on 23 August 2015. Plot The film is about the story of a small but renowned printing press named Kaagaz ke Fools. It is owned by the baraat, Nageshwar Prasad (Naseeruddin Shah), who is a very ambitious man. He is also an ardent Congress party supporter. His rival is Ashok Prasad, a local businessman, who owns a rival publishing company and is a Republican. Nageshwar also has a nephew, Pravin, who is a talented and young film director and the owner of a film-making equipment company, who wants to join the Indian film industry. Ashok's son, Vinay Prasad (Kunal Kapoor), has fallen in love with a talented film star, Atiqa (Seema Biswas). Atiqa's manager, Meera Verma, a very experienced actor, helps her in her career. Atiqa and Meera have fallen out due to Meera's plan to have Atiqa marry Ashok's son, Vinay. However, Atiqa reveals her love for Vinay to Nageshwar Prasad and his wife, Padma, and Nageshwar helps her to convince the Prasads to accept Vinay as their son-in-law. Meera and Atiqa get married. Vinay, who is in a relationship with a pregnant woman named Shirani, is very sad that Meera and Atiqa are married. One day, Atiqa gets a phone call informing her that her father has been arrested by the police for fraud. Vinay decides to take his entire team on a three-month trip to Europe to make a film, but Vinay is refused a passport, as he has no Indian citizenship. This results in Vinay having to resign from the film industry. Atiqa faces a lot of problems as she is married to Vinay, who is an illegal immigrant and cannot get a visa to visit his wife. Nageshwar, Padma, and Meera do everything they can to find a solution. After a lot of efforts, Vinay and Shirani decide to become 82157476af
